**Community Foundation of North Louisiana**  
2022 Annual Report

## A Letter from the Chief Executive Officer

### Kristina B. Gustavson

**Kristi Gustavson**  
CEO

Dear Friends in Philanthropy,

Through grant funding and collaborative partnerships, Community Foundation of North Louisiana works every day to ensure we live in a strong, vibrant community. Strong communities improve the quality of our lives. For our most vulnerable citizens, this may mean providing high quality preschool access or after school care for children with disabilities. For some citizens, this may mean better access to healthcare or workforce opportunities. A strong community should also include access to the arts and safe, outdoor recreation. A strong community is a place of opportunity and growth for all. CFNLA strives to revitalize and invigorate this place we all call home.

It is the mission of CFNLA to strengthen our community through philanthropy and serve as a permanent and growing resource for North Louisiana. Our mission cannot be achieved alone. Collaboration with many community donors and partners is critical to our work and is the only way to achieve **Collective Impact**.

Collective impact brings people together in a structured way to achieve change. Collective impact is a network of community members, organizations, and institutions who align and integrate their actions to achieve positive community outcomes. Collective impact starts with a common agenda, establishes shared measurement practices to ensure progress and accountability, integrates the activities of those involved to maximize results, and encourages continuous communication between partners. Plainly, the only way to ensure the long-term success of our community is by bringing in all partners – donors, nonprofits, municipal and civic partners, and all citizens – to work **TOGETHER**.

A few highlights of the 2022 Annual Report include:

- Over **\$9.2 million** in grants and scholarships were made to 350 partner nonprofits;
- More than **\$6 million** was contributed to CFNLA by our generous donor partners; and
- Give For Good 2022 raised a record-breaking **\$2.39 million** from more than 4,500 donors through a total of 8,715 gifts.

CFNLA is only a piece of the community puzzle. We are extremely grateful to all the partners highlighted in this report. We must remain **Together for Good**.

Sincerely,  
Kristi Gustavson

## A Letter from the Chairman of the Board

### Glenn V. Kinsey

Dear Friends,

Established in 1961, **Community Foundation of North Louisiana is a leader in philanthropy for our region.** It is with a humble heart that I follow in the footsteps of my mother, Peggy Kinsey, in serving as Chairman of the Board of Directors of CFNLA.

**The Foundation oversees more than \$170 million in assets for the benefit of North Louisiana.** The funds managed by CFNLA are invested for the community's benefit and returned to the community annually in the form of grants for charitable endeavors ranging from health and human services to education and the arts. As the steward of generous donations, the Foundation carefully awards competitive grants based on the needs of the community; the capacity, track record, and financial soundness of the applicant organization; and the applicant's ability to work and measure its programmatic outcomes. Doing so ensures the community's endowment is being used efficiently and effectively. At the same time, the Foundation seeks to encourage and grow philanthropic capacity of both funders and providers.

Glenn Kinsey  
CFNLA Chairman

**As a community leader and resource, the Foundation also works with its many partners to leverage funding from outside of our community.** Whether seeking state, federal, or other foundation funding, CFNLA strives to maximize local donor investments. Additionally, the Foundation's strategic initiatives are aimed at solving specific community problems.

CFNLA helps match donors with community needs. Individuals, families, or businesses work closely with our staff to create philanthropic legacies and effect real and positive change. Donor Advised Funds allow donors to work with the Foundation to direct grants to worthy nonprofit organizations. If you do not have a big wallet to go with your desire to give, the Foundation hosts Give For Good each year. This effort allows anyone regardless of gift size to support the many worthy causes in our community. The following Annual Report highlights some of CFNLA's grantees and recognizes the many supporters of our community through their gifts to the Foundation. **We thank you for your trust.**

Sincerely,  
Glenn Kinsey

## *A Farewell to Our Friends*

Service on the Board of Directors of Community Foundation of North Louisiana is an honor that comes with great responsibility. Consisting of only seven members, directors are carefully selected based on their knowledge of the educational, charitable, and civic needs of North Louisiana and to ensure a diversity of talents, perspectives, and experiences. Because the board is small, it is essential each member remain highly engaged throughout their tenure.

It is with the utmost gratitude that we acknowledge the commitment and contribution of two long-standing members as we bid them a difficult farewell. After 10 years, Dr. Terry Davis and Mr. Thomas Murphy have completed their board service.

With unwavering dedication, Terry and Tom have demonstrated every characteristic of an exceptional board member. In addition to providing the highest level of governance and stewardship of the Foundation's assets, they played important roles in the growth of the Foundation through their unique skills and perspectives. They both served as strong leaders and brought a great deal of varying expertise and vision to CFNLA.

While they will be missed, we are thankful they will remain engaged with the Foundation as fundholders and friends of the organization. We are profoundly grateful for the many ways Terry and Tom have contributed to making CFNLA stronger and more effective.

### ***Mr. Thomas H. Murphy***

When Tom was invited to join the board, he was honored to be given the opportunity to follow the great community leaders who came before him. He felt it was his duty to continue to steward the strong foundation of community investment that had been laid by the founders and leaders of the Foundation. Tom brought with him a sophisticated understanding of investment management after many years of serving on the LSU Health Sciences Foundation Board of Directors and as a member of the Board of Advisors for the Holy Angels Zita Charitable Trust.

As a member of the Finance, Investment, and Audit committees, Tom tracked CFNLA's assets very carefully throughout the years. **"It has been extremely rewarding to see both the Foundation's assets and grantmaking double during my tenure"**, said Tom. "I think the board and staff accomplished a great deal, including a critical and very thoughtfully executed transition of leadership to Kristi when Paula Hickman retired. I leave extremely proud and confident in what lies ahead for the Foundation because of the committed and capable staff who operate with integrity and thoughtfulness in all they do."

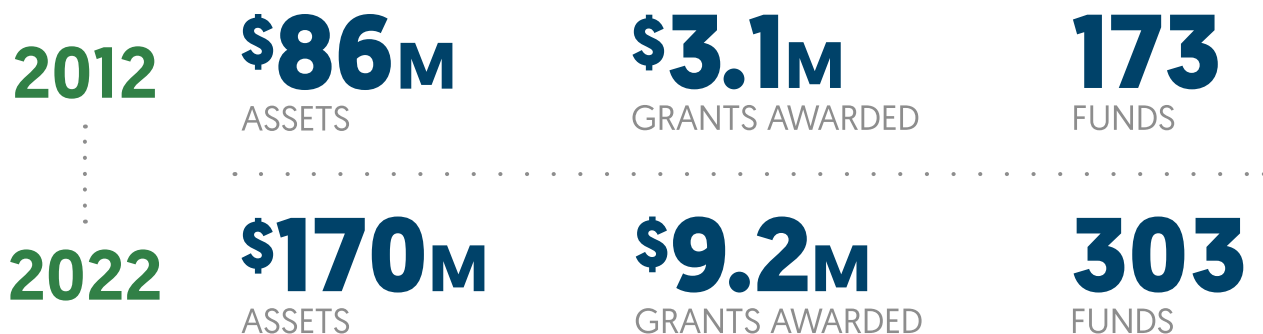

## Dr. Terry Davis

Terry's career and personal life have revolved around serving others and her community. From her early days as a mental health and addiction counselor to years as a behavioral scientist, professor of medicine, and community volunteer, Terry has been devoted to creating equitable access to health care, education, and recreation. Through her research and advocacy in health literacy, she works to improve health outcomes for marginalized populations by educating physicians, nurses, and medical students on how social factors, particularly a person's education level and literacy, impacts their health. Before Terry joined the Board, she was a founding member of the Women's Philanthropy Network (WPN), CFNLA's women's giving circle focused on creating positive change in Shreveport through funding effective educational initiatives.

What Terry says she values most from her board service is gaining awareness and a deeper knowledge of the nonprofit organizations in the area. She enjoys connecting her medical students to volunteer opportunities and community engagement. According to Terry, **"serving on the Community Foundation Board is tremendously rewarding. I appreciate being part of a group working collaboratively in the community to effectively improve health, education, economic development, and quality of life."**

Terry is most proud of CFNLA's shift to more strategic grantmaking aimed at interrupting the cycle of poverty for children through education. Terry plans to continue serving on CFNLA's Competitive Grants LOI committee, the WPN, and hopes to be a resource for new and existing board members.

## 10 Year Foundation Growth

*On behalf of all of us at Community Foundation, we thank Terry and Tom for their service and their families for their unwavering support!*
