Dear Friends in Philanthropy,

I am pleased to present to you Community Foundation of North Louisiana’s 2019 Annual Report.

A few highlights of the 2019 Annual Report include:

- Over $7.7 million in grants were made to 346 nonprofits.
- More than $5.3 million was contributed to the Foundation by generous donors.
- On Give For Good Day 2019, powered by the Community Foundation, our generous community contributed $1.8 million in just 24 hours to support local nonprofits!

We are proud of our 2019 accomplishments and feel fortunate to be a part of such a generous community. We take great pride in serving the community we love. We are, as always, Here for Good!

Sincerely,

Kristina Gustavson

Effective philanthropy is an art. As the steward of the generous donations of North Louisiana donors, Community Foundation of North Louisiana continually pursues the most effective allocation of its philanthropic grant dollars. To do so we must strike a careful balance between the needs of the community and the grant dollars available.

Access to information is the key to effective philanthropy. As a grantor, CFNLA collects all necessary and available data to ensure effective philanthropy. This includes annually gathering and publishing Shreveport-Bossier MSA data on Population, Economics, Human Capital, Health, Social Environment, and Physical Environment in Community Counts. In addition, we carefully vet nonprofit organizations through our two-stage competitive grant application in which we review the program, the nonprofit’s financial health, and its capacity to carry out programs. This process is essential to help us set priorities, track progress, and allocate resources.

As an expert in philanthropy, CFNLA also seeks to provide all the tools necessary for donors to make informed decisions resulting in effective philanthropy. We assist donors in discovering how their philanthropic passions overlap with community needs. We also provide donors with the resources to find the nonprofits that are most effectively meeting those needs and intersecting with their passions.

In 2019 CFNLA continued its immeasurable service to donors, nonprofits, and our community. In doing so we:

- Awarded $3,063,952 in competitive grants to 57 nonprofits;
- Received over $5.3 million in donations and established 12 new funds; and
- Attracted 4,251 donors to donate $1.8 million to 222 nonprofit organizations on Give For Good Day – our 24-hour giving day in May.

As a steward of North Louisiana’s endowment, the Community Foundation helps donors achieve high impact giving that is both personally fulfilling and responsive to community needs. The Community Foundation is honored to serve in this capacity and will continue to help North Louisiana reach its true potential.

About the Foundation

Who We Are

The Community Foundation of North Louisiana brings people and resources together to solve problems and enhance our community. Our mission is to promote philanthropy and improve the quality of life in the North Louisiana community by serving as a permanent and growing resource of expertise and funds.

Established in 1961, the Foundation oversees more than $140 million in assets for the benefit of North Louisiana. The funds managed by the Foundation are invested for the community's benefit and then are returned to the community in the form of grants to a wide variety of charitable endeavors. Since inception, Community Foundation has granted over $88 million in grants to nonprofit organizations.

What We Do

We partner with donors to help them achieve a lasting legacy, support nonprofit organizations, and act as a convener and community leader.

- The Foundation provides a variety of charitable funds and gift options to ensure donors achieve fulfilling, high-impact philanthropy. We work individually with each donor to understand and implement his or her personal vision for a better and brighter community and provide a lasting legacy that transcends generations.
- Beyond our proactive and strategic grantmaking, we support nonprofits through networking opportunities, public events and workshops, and use of our Community Central meeting space.
- We serve as a philanthropic expert and hub as well as a convener that brings together experts to identify problems and develop common agendas to effect real and lasting change.

Get Involved

There are many ways to be a part of the Community Foundation. From becoming a member to starting a fund, or just staying connected through social media and our newsletter, we want you to be our partner in philanthropy.

Art, like philanthropy, can take on many forms. For some, cooking is an art form. To become a good chef, one must hone their craft through repetition and practice. A good chef also takes risks and attempts to view their medium -- food -- in a way that it has not been seen before. Ultimately through sight, smell and taste a chef seeks to create an unrivaled experience for the diner. Art Sample knows this better than most as he has spent years perfecting his barbeque recipes!

Another art form requiring diligent patience, subtle technique, and intense attention to detail is gardening. Susie Sample has spent a number of years sharpening her gardening skills.

Art and Susie Sample are not newcomers to philanthropy. The Samples have been supporters of many of local nonprofits for years. In 2019, the Samples joined Community Foundation of North Louisiana to further enhance their philanthropic giving. Like cooking and gardening, the Samples know that careful attention to detail is vital to ensure one’s philanthropic goals are met in a way that is most effective for the community.

By creating the Susie and Art Sample Family Donor Advised Fund, the Samples continue to support the causes they love while consolidating and organizing their charitable giving. The Sample’s Donor Advised Fund provides them with all the flexibility they want in making charitable gifts while the Community Foundation handles the fund’s grant administration, tax reporting, and record keeping. This gives Susie and Art more time to focus on attending grandchildren’s soccer games and perfecting barbeque recipes!

Susie and Art Sample encourage all philanthropic givers in the community to consider utilizing Donor Advised Funds for giving. Community Foundation of North Louisiana is humbled and honored to have Susie and Art as our partners in philanthropy.

Several money management firms manage the Foundation’s long-term pool portfolio, each having a specific role in the overall management process. These firms were chosen following a rigorous selection process conducted by the Foundation’s Board of Directors and Investment Committee. The Foundation’s investment consulting firm, Fund Evaluation Group, assists the Foundation’s Board and Investment Committee in all asset manager selection and performance management issues for its long-term pool. In 2019, the long-term pool portfolio produced a 15.5% return against a policy index of 13.9%, net of all management fees. From September 1997 through December 2019, the long-term pool portfolio has averaged 7.0% against a policy index of 6.3%.

In 2018, approximately 3,150 children in the Shreveport-Bossier MSA were not kindergarten ready or, put another way, 59% of children were deemed not kindergarten ready in both Caddo and Bossier parishes. To address this problem, Step Forward held the Northwest Louisiana Early Childhood Policy Summit in the fall of 2019. Over 60 participants — including elected officials, business owners, community leaders and Community Foundation of North Louisiana — gathered for three days to learn about the importance of early childhood education, what is currently available and what our area needs are. The summit attendees ultimately drafted two goals to directly improve Kindergarten Readiness: 1) To create and disseminate a consistent community message for early brain development and implications on society at large; and 2) To identify, link together, improve, and expand all systems to strengthen families and promote quality and affordable childcare and kindergarten readiness.

The latest data reveals 36.7% of families with children under 5 years of age live in poverty in Shreveport-Bossier. For families in poverty, access to quality early childcare or education is limited or unaffordable. According to the Louisiana Department of Education, statewide 86% of economically disadvantaged 4-year-olds have access to quality early learning versus 1% of infants, 6% of toddlers and 26% of 3-year-olds. In Louisiana the Childcare Assistance Program, or CCAP, provides financial assistance to low-income families (while parents are working or attending school) in accessing high quality childcare. In Caddo Parish, as of October 31, 2019, there were 842 children enrolled in the CCAP program with 188 on the waiting list.

In 2017 the Legislature established the Louisiana Early Childhood Education Fund La. R.S. § 17:407.30, which was unfunded until January of 2020. The fund is designed to match non-state, non-federal (local, private) funds spent on quality early care and slots for centers participating in the quality rating system or centers that are eligible to receive CCAP-funded students. The fund will provide a dollar-for-dollar match such that for every local dollar raised, the LECEF will provide $1. Beginning in January of 2020 it will be funded as follows: up to $3.6 million will go in the fund after Harrah’s Casino revenue exceeds $60 million per year. In addition, 3% of industrial tax on hemp-derived CBD products will be dedicated to the fund.

Following the Early Childhood Summit, CFNLA issued the following challenge: North Louisiana must raise $1 million to provide funding for children currently on the CCAP waitlist. If the community raises, $900,000, CFNLA will contribute the last $100,000. CFNLA will then seek the state match with the hope of having $2 million available so children ages 0 to 5 will have equal access to quality early education. If you are interested in ensuring that all children have equal access to preschool, please contact Kristi Gustavson at the Community Foundation.

In 2019 a group of citizens, led by the executive vice president at Argent Financial Group, Lucius McGehee, founded the Community Foundation of Lincoln Parish Fund at CFNLA. The Fund was created to respond directly to the needs of both Ruston and Lincoln Parish. An Advisory Committee consisting of seven engaged Lincoln Parish citizens determines when and to which entity grants should be made.

Not long after the Lincoln Parish Fund was created, the citizens of Lincoln Parish sprung into action to provide relief following the April 25, 2019 tornado that devastated the Ruston area. In just a few weeks the Lincoln Parish Fund raised more than $110,000 for tornado relief efforts. “The city of Ruston and the entire community have really come together in a major way as a result of this natural disaster,” said Ruston Mayor Ronny Walker. “I really appreciate all of the folks who have stepped up to coordinate efforts, including delivering supplies and making generous monetary donations. The Lincoln Parish Fund will help by providing funding to nonprofits throughout our city who are helping us recover from this disaster.”
GRANTS FROM THE LINCOLN PARISH FUND WERE MADE AS FOLLOWS:

- City of Ruston: $15,000 toward replacing utility poles damaged in the tornado
- Louisiana Tech Foundation, Inc.: $10,000 for tornado recovery efforts
- Lincoln Parish School Board: $5,000 for athletic and spirit facilities damage
- Grambling State University Foundation: $5,000 for faculty and student tornado recovery relief
- Rolling Hills Ministry: $20,000 for community tornado relief
- Grace United Methodist Church: $10,000 for the Disaster Relief Fund to aid in Ruston tornado recovery efforts
- The Springs: $5,000 for Ruston tornado recovery and relief
- United Way: $20,000 for Ruston tornado recovery and relief

“A year ago, we had the desire in our community to create a foundation that would benefit a wide range of needs in the Ruston and Lincoln Parish areas,” said Lucius McGehee. “After much deliberation, we partnered with Community Foundation of North Louisiana to help combat poverty and prepare for natural disasters. We’re so grateful to have the Fund already established and are eager to put the contributed money to good use. We also want to recognize the leadership that Mayor Walker has given to our city during this time. It is nothing less than miraculous. His team has done such a good job of communicating with the citizens and letting them know, sometimes on an hourly basis, where the electricity is being restored, when debris are picked up, where roads are being cleared, and more. Louisiana Tech President Les Guice has also been an incredible leader who has done a tremendous job partnering with faculty, students and the community and keeping us informed every step of the way.”
As every donor is unique, there are a number of ways to partner with the Community Foundation. Donors listed below gave a minimum of $200 in 2019 either by contributing to a fund or as a sustaining member. Not reflected here are the 4,251 donors who gave during Give For Good, a 24-hour online giving day powered by the Foundation. In one day, Give For Good raised $1,855,458 for 222 organizations in North Louisiana. In total, the Community Foundation received $5,354,813 in contributions in 2019.

Legacy Society members impact the future with a bequest or a deferred or endowed gift to the Community Foundation. A legacy gift is more than a donation; it provides a vehicle to respond to the changing needs of the causes donors care about most. We honor these visionaries by ensuring their charitable wishes are met year after year.

Founded in 2005, the Women’s Philanthropy Network is a group of women dedicated to ensuring positive change in the Shreveport-Bossier community. Members pool their annual dues in order to make a high-impact gift to local organizations that focus on education. Each year, members vote to select a worthy grantee. The WPN also hosts educational programming to keep members informed of community programs and needs. Since inception, the Women’s Philanthropy Network has granted over $1.1 million to educational initiatives in our community.

In 2019, the Community Foundation granted over **$7.7 million in grants to 346 nonprofit organizations**. Grants are awarded from a number of sources, including donor advised funds, the competitive grant process, scholarships, and Give For Good. We use our annual data report, *Community Counts*, to inform and guide our grantmaking process and help focus our strategic initiatives. The chart below provides a breakdown of all grants awarded by program area. The following pages list the organizations that were awarded a 2019 competitive grant from the Community Foundation.
